Dear Ms. Forte:

Thank you for your letter of July 28, 1978. It seems that your book on the St. Louis Cyclone had its covers blown off in the cyclone.

Frankly I hesitate to buy a book in beaten up condition and I am sure you understand that unless they are actual photographic positives.

When you dig in your archives I am sure you will find some treasures for me and I look forward to hearing from you on them.

Thank you so much for writing me.

Dear Mr. Aron:

You were very kind to ask me to speak before the Educational Forum of the Metropolitan Washington Numismatic Association. I never like to turn down any educational activities in numismatics, but feel that my work on the ANA National Convention which will take place in St. Louis in August will have to take precedence.

If I had the occasion to be in Washington at the time, I would certainly work it into my schedule, but otherwise I believe a program from me would be impractical.

Thank you again for asking me.

Dear Mr. Newman:

On behalf of the General Chairwoman of the Metropolitan Washington Numismatic Association, Laureese Katen, I am acting as Chairman of the Educational Forum Committee for our 1979 convention. We are always eager to conduct an outstanding educational program. I would be very pleased if you would speak at our convention.

The Forum will be held on July 14, 1979, at 3 PM, and each of three speakers will present a program of approximately 20-30 minutes. I would particularly like it if you would present a program regarding paper money, however I would be pleased to have you present a talk on any other subject of your choice. I appreciate your consideration and look forward to your reply.

I have enclosed a copy of the souvenir program for our 1978 convention. Pages 1, 2, 12, and 13 will familiarize you with our organization.

We are pleased to offer an unique, typewritten report pertaining to the JEFFERSON GUARD, which was formed on June 25, 1901, by Executive Order by a committee on Police, appointed by the Board of Directors of the Louisiana Purchase Exposition, to its cessation on January 1, 1905.

This report is typed, double-spaced on legal size paper, consisting of records, photographs of men in uniform, and other documents that provide a complete and detailed history of this unique body. I quote from the text:

"...The sad termination of President McKinley's visit to the Buffalo Exposition, and the fact that irresponsible persons would naturally be attracted to the Exposition, during the visit of the President, led to considerable apprehension on the part of Exposition officials, particularly the Commandant of the Guard. Every precaution was taken for the safety of the Chief Executive..."

Naturally, this unique record would have to be examined to be fully appreciated as an important historical document.

It is priced at \$275.00.

I look forward to the pleasure of your reply.
